8:50am SAT NAV FOR THE NSW PUBLIC SECTOR'S FUTURE

The Hon. Victor Michael Dominello, MP, Parliament of NSW

9.00am DIGITAL STATE OF THE STATE

Where is the NSW public sector in terms of digital development and what are the skills and capabilities that we still need to develop?

Damon Rees, Government Chief Information and Digital Officer

9.30am THE FUTURE STATE. WHAT DIGITAL TRANSFORMATION CAN CREATE

Digital transformation will radically reshape what the public sector does and how it operates. What do we know about how this is already happening around the world?

Shara Evans, Technology Futurist, and CEO of Market Clarity
Host: **Gerald Keating**, Digital Innovation Specialist, UNE Partnerships

10.15am MORNING TEA

10.45am DIGITAL TRANSFORMATION IN THE PUBLIC SECTOR

What is the role for IPAA NSW, as a professional association, in supporting the digital transformation of the public sector?

Martin Hoffman, President, IPAA NSW

11:00am NO DIGITAL STATE IS AN ISLAND – COMMONWEALTH THINKING ABOUT DIGITAL TRANSFORMATION

What opportunities for sharing ideas, systems, structures or resources could help public sector digital transformation at State and Commonwealth levels?

David Hazlehurst, Deputy Secretary (a/g), Department of Industry, Innovation and Science

11.30am CREATING A DIGITALLY LITERATE PUBLIC SECTOR

Putting digital transformation in the context of broader public sector change in NSW: what is still to be done?

Graeme Head, NSW Public Service Commissioner

12:00pm DIGITAL IMPERATIVES

What are the 'must haves' for the users of digital services that are provided by the public sector?

Chris Bennetts, Executive Director, Digital Products and Services for the Customer Services Division, Transport for NSW
Sheila McGregor, Gilbert & Tobin
Facilitator: **Peter Wiseman**, Principal, Nous

12:45pm MORNING SESSION WRAP-UP

Madeleine Culbert, CEO, IPAA NSW

1:00pm LUNCH

2:00pm START UP OR SHUT DOWN? DIGITAL TRANSFORMATION AND DIGITAL SECURITY

Why putting a priority on digital security does not mean inhibiting digital innovation and flexibility.

Dr Maria Milosavljevic, Government Chief Information Security Officer

2.30pm HOT TAKES ON BIG DATA ISSUES

Three big thinkers offer their insights into some of the hottest issues and opportunities for the public sector in the use of big data.

Dr Pedro Harris, former head of NSW WoG ICT Strategic Delivery
Dr Zoran Bolevich, CEO, eHealth NSW
