OVERVIEW

WHAT IS A CUSTOMISED AGENCY PROGRAM?

A Customised Agency Program (CAP) is a training course or program that is tailored to meet the training requirements of your team at a time and location of your choice.

DESIGNED FOR YOUR NEEDS

Programs are designed to specifically address the needs of your organisation. We can customise any of the [courses](#) we already offer or develop new courses.

Case studies, policies and procedures from your organisation are incorporated into the programs, to ensure participants engage with relevant and realistic tasks and content.

Our course facilitators are discipline experts, leading professionals and industry practitioners with extensive knowledge of public sector and adult learning skills. They can easily facilitate customised learning opportunities for diverse groups.
